

The Kennett High School Mini-THON is excited to announce that we are hosting our first ever **Harlem Wizards game at Kennett High School on Saturday, February 10, 2018, at 6:00 pm.** The Wizards are a professional basketball team that has helped many school districts in their fundraising efforts. We hope that this event will raise money to aid us in our annual goal of assisting families with children who have cancer in meeting the expenses they incur while undergoing treatment.

This year we really wanted an event that would unite all of our families across the school district. The game promises a night of fun during which our entire district community has the unique opportunity to be all together in one place watching administrators and teachers play against the Wizards.

On January 26th, a member of the Harlem Wizards will be visiting each of our schools. Our hope is that these visits will provide a glimpse of the family entertainment the game will offer. Tickets are available online at **HarlemWizards.com**. Click on "Schedule and Tickets" and use the provided calendar to purchase tickets for February 10th. Depending on availability, there may be a number of tickets available at the door on the night of the game.

If you would prefer to order paper tickets and have them reserved for you at the door on the night of the game, please complete the order form below and return it to your student's teacher in a sealed envelope. Please make checks payable to "KHS Mini-THON." If you have any questions, want more information, or would like to confirm your paper ticket order, please email: khsminithon2018@gmail.com

Thank you! We hope to see all of you on February 10th for a night of family fun and KCSD spirit!
Doors open at 5:00 pm!
